

STICKY PADS

IPC
EAGLE

CODE
PANN00073

Disposable polyester cloth with a special adhesive treatment that works to use its stickiness to trap dust and particles.

DIMENSION
5 in x 30 ft
(perforated
every 6 inches)

The pad is practical as it can be used by hand or with a pad holder such as the Technopad and it provides an adhesive power to capture 99% of all types of soil without leaving behind any residue.

APPLICATION AREAS

10" TechnoPad w/
2 perforations

16" TechnoPad w/
3 perforations
