

ETA / BETA

ETA/BETA is the waste collection line entirely made of polypropylene with aluminum center support for maximum strength and durability, practical even for outdoor use or in areas with high humidity.

With a 120 lt. polypropylene bag support complete with fixing bag, pushing/towing fiberglass handle, 45 mm. aluminum support, Ø 175 mm. rubber wheels (polypropylene fork) and feet, ETA is used as a fixed container for collection; BETA is complete with Ø 80 mm. wheels to be used as a traditional trolley.

They are available in gray, blue or white (FOOD line) for food industry related companies. Even the lid is available in different colors (blue, red, yellow, green, gray and white) for differentiated garbage collection.

ETA/BETA, made with non-toxic, non-hazardous and **100% RECYCLABLE PLASTICS** (polypropylene, aluminum, fiberglass, nylon) and therefore particularly attentive to environmental sustainability requirements, fit any HACCP plans.
