

WET WIPE

YOUR DAILY ALLY

FLOWING AND RESISTANT

It can be easily used on any floor, ensuring excellent results even after its first use

MAXIMUM YIELD

Ideal for the cleaning and sanitation of all type of floor

PRACTICAL

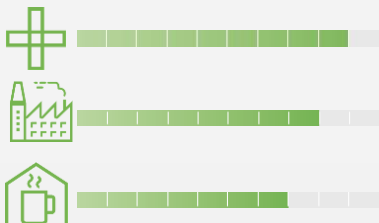

Convenient packaging with reclosable opening. It allows an easy extraction, keeping the cloth wet

NO RESIDUES

It allows the dirt removal without leaving any marks or stains

APPLICATION AREAS

EFFICIENT ON ANY FLOOR

White disposable pre-impregnated cloth suitable for the daily dust removal on the floors. The impregnation with an alcoholic-based detergent enables an accurate removal of dust and dirt, ensuring the sanitization of the surface and its quick drying.

TECHNICAL DATA

CODE
PANN00126

DIMENSION
42x13 cm

COMPOSITION
60% Polyester
40% Viscose

WEIGHT
150 g/m²

PACK
20 pcs

UNIT BOX
10 packs

Yield per m²

20-25* m²

Absorption
capacity

7 x product
weight

Detergent amount
per cloth

60-70 ml
