

FASTRACT™ EXTRACTORS

BX12

The BX12 is a self-contained extractor that offers portability, ease of operation and high performance. With up to a 19" cleaning path, high speed brush and dual vacuum motors, the BX12 can clean and dry carpets very rapidly. The 12 gallon solution tank offers plenty of solution for scrubbing large areas of carpet.

PRODUCTIVITY

Power cord	ft/ cm	50 ft/ 1524 cm
Tank capacity	gal/ l	12 gal/ 45 l
Solution pressure	psi	150 psi
Vacuum motor		2 - 2 stage, 150" waterlift
Wheels	in/ mm	2 x 10 in/ 50 x 250 mm
Voltage	V	120

Other Features

- Powerful 150 psi pump and dual vacuum motors with 150" waterlift for optimum cleaning
- Available with or without heater
- Opens like a clam shell, to allow access to motor compartment, guaranteeing fast, inexpensive service
- Compact design at only 78 pounds for exceptional portability
- Intercooler cools the motor compartment, extending motor life
- Stair climbing handle and 10-inch rear wheels for easy transport
- Sealed waterproof switches inset at top of handle for safety and ease of operation
- All motors mounted to metal baseplate for long-term durability
- All fittings - such as strain relief, quick disconnect, are fully protected, eliminating breaking during transport, storage and operation
- High dump allows for easy emptying into five gallon bucket
- Vacuum motors are mounted upright (not sideways or upside down), eliminating premature bearing failure
- Cleans stairs and upholstery with optional tools
