TECHNOLITE SQUEEGEE

The Technolite Squeegee is designed to be the most ergonomically correct squeegee on the market. It is 20% lighter than the standard stainless steel handle but has the same strength and rigidity. The channel and rubber of the squeegee is held in position by an extremely secure rear mounted spring plate.

PRECISE

Extra stable channels.

SUPERIOR

High quality vulcanized rubber impurities-free to guarantee maximum adherence to the glass.

ADAPTABLE

Available in different sizes, ranging from 10" to 22" for all cleaning applications.
